International Work is an opportunity for students to meet and interact with international employers. Topics covered will include: how to develop a competitive international resume, specific hiring practices in various organizations, and ways to connect and network with different types of organizations.

We ask that students please RSVP through their myIUcareers account, accessible at [iucareers.com](http://iucareers.com). Business casual attire (dress shirt, dress pants, or skirt) is appropriate for this event.

Don't miss this great professional opportunity!
